

I. The Parable

- The “you too” are the people who see the birth pangs and the abomination. If you are alive in this time Jesus is saying don’t worry!

I. The Parable

- Who will be alive in this time?
 - The church will be in heaven
 - There will be unbelieving Gentiles and Jews
 - Believers who are saved during the tribulation.
- The implication is to be ready! Watch!

I. The Parable

- This planet has a short life. The universe will be ravaged in the judgments.
- Jesus asserts the guarantee of this promise in Isaiah 40:8.

II. Nobody Knows

- Jesus said that you may know the season, but not the hour!
- Jesus willingly gave up (set aside) some of the attributes of deity when He came to the earth.

II. Nobody Knows

- Anytime someone claims to know when the Lord will return, you can automatically assume that it is a false religious system.

III. On Alert

- The phrase "be on alert" is used 4 x's in these verses.
- Vs. 35 indicates the four watches of the night that the Romans used.
- **The Lord can return even when you least expect it.**

What About Us?

- The reality is that many in the church are sleeping their way through life.
- We get so distracted that we forget, there is a life to be changed, there is a work to do, a Kingdom to build and a Lord to look forward to meeting.

We look for the blessed hope and the appearing of our great God and Savior, Christ Jesus:
