

## Ideas for your relationship with your spouse

- Realize your marriage is a picture of the gospel to a watching world
- Stay committed to one another
- Pray with your spouse that God will use you to accomplish His purposes
- Help your spouse be a better steward of their gifts and abilities

## Ideas for your relationship with your children

- Ask God to give your children a sense of purpose, direction, and mission
- 5 guidelines for giving an inheritance - Randy Alcon
  1. Don't leave large amounts of money to your children. (don't know how to handle it)
  2. Give it away before you die. - joy of seeing it used!
  3. Use your money to help your children get start in a career - education, training, tools, equipment that will allow them to provide for themselves,
  4. Leave a spiritual heritage - be an example in prayer and Bible study and communication and asking for forgiveness and grace and truth and provide an example of giving
  5. Trust that God will provide for your children's needs - Let God work and don't interfere or change their lifestyles.
