

Every follower of Jesus is called to be apart of building God's Eternal Kingdom!

### I. A Model for Ministry

- Jesus sets the example for ministry by already showing the disciples how to minister.
- I am convinced that the majority of our ministry exists outside the walls of this building.

### II. Companionship

- God never intended you and I to do the work of the ministry by ourselves. We need help! We need encouragement!
- Before you try anything new for the Lord, I want you to pray to God that He will send you a Barnabas.

## II. Companionship

- Ecclesiastes 4:9-10 says "Two are better than one because they have a good return for their labor. For if either of them falls, the one will lift up his companion. But woe to the one who falls when there is not another to lift him up."

## III. Power for Ministry

- Have you ever said, "I can't do something like that? Who am I that God would ever want to use me?"
- The word "authority" means to enact business on behalf of someone. Jesus' disciples had full authority in Jesus to perform ministry in His name.

## IV. Instructions for the Journey

- Jesus restricted the taking of additional items to teach the disciples that they must depend on God.
- God's call will never lack God's supply.

## V. The Message

- The word "repent" that is used here means 'to change your mind.'

## V. The Message

- "Saving faith is the belief in Jesus Christ as the Son of God who died and rose again to pay one's personal penalty for sin and the One who gives eternal life to all who trust Him and Him alone for it." - J. B. Hixson
