

Dear Family at North Annville,

With eyes and ears glued to various devices, we wonder, as never before, what "tomorrow" will hold. Those working for the federal government hold their breath hoping the government won't shut down. Health care workers, teachers and children in schools hope they can finish their day, week, etc. with uninterrupted breaths, able to finish their task at hand. And in the heavens our merciful God watches, aware of every breath we take. In light of this our Crossworld president is calling for concerted prayer Oct 7-14. Attached you'll find his heart's message to believers if you'd care to read it.

As a new semester begins at LBC, would you pray for a good launch to connect with students and a fresh vision for what the Lord wants to do through this generation?

Other opportunities for prayer:

Wisdom as Jerry team teaches a S.S. class for recovering addicts.

Nate - a former Christain leader struggling to overcome his addictions.

Brian, Ike - coming to God with some heavy baggage and desiring to know Him better.

Howard - a seeker who can't believe in a God who would allow 9/11 to happen

Understanding as Vivian team teaches a preschool SS class and spends time with an autistic woman and seeks to serve her family.

Thank you for your encouragement and support. This year marked our 50th wedding anniversary and we're reminded of an awesome group of faithful prayer partners who've traveled with us in prayer for many years, or as Grenadians would say, "for donkey years!" We look forward to tracing God's hand prints in the coming days, weeks, months, etc. Please let us know how we can pray for you.

With our love and thanks,

Jerry & Vivian
